### **Limitations**

This warranty does not apply and Netco shall not have responsibility or obligation for seepage or leakage of water resulting from:

- 1) Interior condensation on the walls or utility pipes.
- 2) Defective, absent, or inadequate functioning drainage system of the structure.
- 3) Damage to the installed coating or to walls to which it is applied.
- 4) Any defects, including structural defects, cracks in the foundations, footings, walls, the structure in the foundations, footings or walls or the structure irrespective of cause and including without limitation defects or cracks caused by shifting, movement, or settling of the structure or the soil adjacent to or beneath the structure.
- 5) Water leaking or seeping upward into the structure through basement floors or drains.
- 6) Grading which does not slope away from the residence sufficiently to drain water away from the residence.
- 7) Alterations of or intrusions into the coated walls after installation including but not limited to openings for ducts, pipes, or other like items.

### **Claims**

Warranty claims must be submitted in writing to:

**Netco Remodeling, Inc.**  
**1650 S. Meridian, Suite 7**  
**Wichita, Kansas 67213**

Any claim must be made within 30 days after discovery of the seepage or leakage problem. After such notice, Netco shall make an investigation of the claim and will perform its obligation under the terms of its warranty. Netco shall not be responsible for any personal property or any basement finish repairs due to water damage, nor shall Netco's liability exceed the original purchase price. This warranty gives you specific legal rights, and you may also have other legal rights, which vary, from state to state.
